About Us

PT Buana Bahagia Sejahtera Globalindo (BBSG) is an Indonesian-based global trade integrator, strategic management consultancy, and agricultural export house. We bridge high-quality Indonesian agricultural resources with the global market through strict quality control, sustainable sourcing, and end-to-end supply chain reliability.

- **Core Services:**

1. **Global Trade & Agricultural Export:** Direct sourcing and export of premium non-grain flour, starches, and healthy plant-based foods.
2. **Strategic Management Consulting:** Market research, compliance advisory, and international business expansion solutions.

- **Quality & Compliance Commitment:**

- Strict SOP processing from farm to factory.
- Food Safety Compliance: GHP, HACCP, and Halal Certification.
- Full traceability and international export standards.

- **Why Partner With Us:**

- **Authorized Global Representative:** Official integrator for Tepung Nusantara Taro Series.
- **End-to-End Supply Chain:** Reliable export handling, custom packaging, and international trade compliance.
- **Sustainability & Impact:** Empowering local Indonesian farmers through fair trade and sustainable agriculture.

Your Trusted Partner for Premium Indonesian Ingredients
